Priporočila / omejitve

- To add your Home/Away wireless master switch to your connected installation, you first need to purchase and install a Living Light with Netatmo connected starter pack, as well as one or more Living Light with Netatmo connected switches, power outlets or lighting micromodules

Prednosti montaže:

- Extra-slim, the Home/Away wireless master switch is attached to a wall with the adhesive pads provided. It can therefore be repositioned. Can also be screwed onto a flush-mounting box

Prednosti uporabe:

- The Home/Away wireless master switch complements the one included in the Living Light with Netatmo connected starter pack. You can therefore place each of these switches at different entrances to your home
